Cleaning Sale

Nov.
15 to
30th

This sale is put on with but one end in view--to close out all overstocked lines of seasonable goods as well as all small broken assortments. You people who have been attending our Special Sales in the past know what to expect when we announce that we will have a sale. We have made a rule and find it good business to clean seasonable merchandise before the season closes.

Bratt & Goodman.

The new auto fire track ordered by the city at a cost of \$5,100, arrived yesterday, and was given a trial run last night with Miner Hinman at the wheel, who raced through the streets at a forty mile an hour clip. The truck is a machine of great beauty, and will prove a wonderful help in fighting fires. It is supplied with a chemical extinguisher, which of itself is a big advantage in the way of extinguishing fires which are confined to a limited space; it has ample room for all the necessary fire hose, and with the seventy horse power engine it can reach a fire quickly. This auto truck together with the new quarters for the firemen in the Hinman block places the department in the best condition it has been since its organization.

At the selection at Hyannis yesterday for land in the forest reserve fifty names and numbers were called to which twenty-three responded. None of the first three numbers was represented by their holders, and after a lapse of twenty minutes the next three numbers were called and two responded.
